Memo No HFW-23099/66/2020/M/ 683

dated 07. 05. 2020

**Updated notice on result, admission and list of documents
required for admission**

Whereas there is unprecedented COVID-19 situation prevailing;

Whereas the MCC Govt. of India has provided a notice dated 06.05.2020 bearing memo no. U-12021/44/2019/27-MEC;

Whereas the choice filling period was extended for candidates vide notice dated 04.05.2020 bearing memo no. HFW-23099/66/2020/M/679 of this Department;

Whereas public holidays are coinciding with the days of admission as per earlier notification;

Therefore in partial modification of the earlier notice dated 01.05.2020 bearing memo no. HFW-23099/66/2020/M/677, the round 1 WB PG Medical and Dental allotment results would be published by 8th May 2020 and the admission would be on 9th , 11th and 12th May 2020 from 10 am till 4 pm as per server time.

The candidates have to either get admitted physically by depositing original documents and paying fee and submitting requisite bond/undertaking to the respective college within stipulated days as per server time; or they can send scanned copy of original documents to the respective allotted college through the dedicated email published in the college portal/website.

For sending email kindly use your email ID that was put forth while enrolling for PG WB counseling 2020 as from any other email such communication shall not be entertained for security purpose.

If a candidate sends scanned copy via email and pays the requisite college fee online (must be confirmed from the colleges beforehand) via debit card/credit card/net banking to the college specified bank and branch (must be confirmed from the colleges beforehand) and bond/undertaking (as applicable) then his/her admission shall be purely provisional. The same admission shall be confirmed once he/she reports physically to the concerned college at the earliest best with original documents and deposits such documents in the college.

In both physical reporting or online sending of scanned documents; if college authority is satisfied with the credentials of the candidate then admission shall be granted via NIC portal shared with colleges and the said admission slip generated online shall be shared with the candidate physically/electronically as the case may be.

After submitting the original documents to the colleges the candidate gets a slip stating the essential documents that are submitted to the college.

The candidate gets back such documents after showing such original slip only in up gradation during counseling/end of the course tenure/resignation after clearing necessary dues with the college authority.

During admission candidate has to state willingness for subsequent round/s if any. This is a must for all candidates whether they get admitted physically or send documents electronically. If candidate does not provide willingness for subsequent round during admission, then he/she cannot participate further in such round/s.

If candidate does not report physically with required credentials and college fees or do not send email with scanned documents and other required credentials with payment of college fees as per server time and they do not show willingness for next round/s, then the candidate cannot participate for subsequent round/s. Thereby it is made clear that not reported/not admitted candidate is out of the counseling process.

The change of willingness once submitted cannot be altered later.

If a candidate provides willingness for subsequent round/s and then does not fill fresh choice in such round, then the candidate retains the admitted seat of earlier round.

If the candidate provides willingness for next round and fills choice in next round but does not get any fresh allotment as per his/her rank and choice, then earlier round admitted seat is retained.

If a candidate provides willingness for next round/s and fills choice in next round/s and gets fresh allotment, then earlier round seat is automatically cancelled. Then candidate has to take back documents from the earlier college and take online release and get admitted in newly allotted institute within stipulated time.

It must be kept in mind that this can happen for different course in same college and same course in same college (category up-gradation) as well. In all such cases candidate has to get fresh admission after online release within stipulated time as per server else the candidature is cancelled and candidate shall not be considered any further for counseling.

If a candidate is unwilling for subsequent round/s then he/she cannot fill fresh choice in that round. Earlier admitted seat is retained.
